RE: Agenda Item No. 7: Board to discuss and consider approval to solicit for bids regarding Pre-Engineered Metal Building (PEMB) for Fargo Sports Complex

In alignment with our Procurement Policy, Policy No. 309, we are requesting permission to publicly bid a Pre-Engineered Metal Building for the Fargo Sports Complex.

Due to extended lead times for steel fabrication, we are looking to get started on the design phase for a PEMB for the turf component of the Sports Complex. This will allow the manufacturer to start the design of the building and get it into the manufacturing queue saving approximately 3 months for manufacturing.

If the budget is approved and the decision is to move forward on the Sports Complex project, McGough Construction will bid the PEMB per their contract with the Fargo Park District.

This PEMB would be bid out in October and brought to the full Board to consider for approval at the November Park Board Meeting.

This was reviewed at the September 29th Facilities Committee Meeting and the committee recommended bringing it to the full board for discussion and consideration of approval.

If you should have any questions, please feel free to contact me prior to the board meeting.

Thank you.
