Rules

1. Pool play matches will consist of two games each. Each game will alternate between women's height (7' 4 1/8") and a men's height (7' 11 5/8"). On the women's net the three women are front row and the three men are back row. On the men's net it is reversed. Ball handling is on the honor system. Disputes can be handled with a replay. Men or women hitting back row must hit the ball with an upward trajectory if it crosses the net.
2. Pool play will consist of two games to 25 rally score, 25 pt cap. In tournament play, teams will play first 2 games to 25 with no cap and if the third game is necessary, it will be played to 15 with no cap. Team with the greater point differential will get to choose height for third game. If point differential is tied after first 2 games then a coin flip will determine what net height for third games.
3. Teams must be ready to start play when their court is open.
4. Only back row players serve (no jump serves). Must rotate serving order.
5. You must start each match with 6 players (3 males and 3 females). The only way you can play with less than 6 is if someone gets hurt.
- 6. You can only play on one team during the entire weekend. You can not play on both Saturday and Sunday!**
7. If you have extra players, players must play and complete the whole match once the match has started
8. Other rules will be covered before tournament starts if needed!
