# Compensation Policy for Park Board Commissioners

## 1. Purpose

To establish a transparent, consistent process for reviewing and approving annual salary adjustments for elected park district officials while ensuring compliance with the **North Dakota Century Code**, fiscal responsibility, and public accountability.

## 2. Legal Framework

1. **Authority:** Compensation for park district board members must be approved by the board and included in the park district's annual budget.
2. The board shall comply with all applicable North Dakota statutes regarding compensation and budget law.

## 3. Annual Review Timing

1. Salary and compensation levels for elected officials shall be reviewed **annually as part of the budget development process** before adoption of the final budget

## 4. Compensation Review Criteria

The board should consider the following when evaluating potential adjustments:

- Changes in the **Consumer Price Index (CPI)** as a measure of inflation.
- Changes in the Employment Cost Index (ECI)
- Compensation levels in **comparable North Dakota park districts or similar units of local government**.
- The park district's **financial condition**, projected revenues, and budget constraints.
- The elected officials' **roles, responsibilities, and time commitments**.
- Impact on **tax levies** and community expectations.

## 5. Compensation Principles

- Annual review does not guarantee an increase
- Compensation must be reasonable and fiscally responsible
- Justification should be required for increases above the benchmark
- Commissioners' compensation should be evaluated consistently using objective criteria
- The process should avoid actual or apparent conflicts of interest
- The effective date will coincide with start of the Park District fiscal year

## 6. Other Compensation and Reimbursements

Park Board Commissioners may receive or be provided other forms of support, reimbursement, stipends, or allowances as authorized by applicable North Dakota Century Code provisions and Park District policies. Other compensation and support may include, but are not limited to:

- IT and Technology Support
- Clothing Allowance (will need parameters, if we want to go there now)
- Conferences and Professional Development
- Conference and Related Travel Costs
- Other reasonable or necessary Reimbursements and Stipends

## 7. Review Process

### 1. Proposal Preparation:

The Governance Committee shall prepare a compensation review report that includes:

- Current salaries and any soft benefits
- Benchmarking data from similar North Dakota park districts
- Recommended adjustment (if any) and rationale
- The Across-the-Board salary adjustment approved for full-time employees shall be considered as one benchmark when evaluating commissioner compensation.

The Board may approve an adjustment that differs from the employee adjustment based upon the factors identified in this policy.

### 2. Board Action:

Compensation adjustments shall be included in the final annual budget document.

## 8. Policy Review

The board shall review this policy every three (3) years or when there is a substantive change in applicable North Dakota law.
